Outreach Coordinated Entry System Training

May 15, 9:30am - 11:30am

Outreach professionals engaging people experiencing homelessness who stay in places not meant for human habitation and/or in-reach into the shelter system play a critical role in ending homelessness. We invite outreach teams including supervisors to this training on a CES overview including new outreach program models, role of HMIS, and next steps for connecting people to housing.

Shelter Coordinated Entry System Training

May 15, 1:00pm – 3:00pm

Content will be focused on the role of shelters in the Coordinated Entry System and we invite supervisors and direct service staff at shelters serving **youth and single individuals** to participate. We will review the Coordinated Entry System, HMIS components, and next steps in connecting participants to the CES and housing.

Coordinated Entry System 101

May 18, 9:30am – 11:00am

All are invited to learn about the Coordinated Entry System, how to connect people to housing, the various roles played by partners across our system.

Permanent Supportive Housing – Verifying Chronic Homelessness

May 18, 2:30pm – 4:30pm

Permanent Supportive Housing providers are invited to this session lead by HUD, CSH, and All Chicago and partner agencies on the Coordinated Entry System and new process of verifying chronic homelessness.
