Ending Chronic Homelessness

CHRONIC BY-NAME LIST
AREAS FOR IMPROVEMENT
Include all populations on By-Name List
Put into place inactive/no-contact policy
Lead agency or owner of BNL in place
BNL is the source of monthly housing placement reporting to Zero: 2017
Ability to calculate time between when a Chronic individual first becomes homeless to when they enter the CES
Ability to calculate time between when a Chronic individual enters CES to when they become permanently housed
Ability to show when existing clients will "age into" AND "age out" of chronicity

Quarterly Data Quality Assessment Process:

Number of client records reviewed:

Client records checked for completeness: 46428

Number of providers: 357

Providers submitting data: 313

Providers with at least one field >5% missing data: 60

Child Only Entries: 802

Quarterly Data Quality Assessment Process:

Number of provider records reviewed:

313 providers at 70 agencies submitted reports

Client records not reviewed:

44 providers at 28 agencies did not submit reports

- 11 Emergency Shelter projects
- 4 Transitional Housing projects
- 6 Permanent Supportive Housing projects
- 23 Services/Outreach/RRH/HP/Other
