English (United States)

- Approval of Meeting Minutes
- Set consistent meeting date
 - Proposal
 - Meet every month to account for additional sub-work groups with a main DQSC meeting occurring on a set basis to be determined
- Data Quality Plan
 - Feedback collected
 - Reason for change:
 - Clarification
 - Entries, exits and shelter stays were always part of the plan, but we made it explicit
 - Added timeliness for housing move-in date
 - Necessary to have a better, live data snapshot of which resources have been utilized and how client movement is being tracked
 - Consensus on changes
